

The Intentional NFP Governance Cycle

Desired Outcome: *The organization or collaboration provides maximum benefit to its community.*

Key Action Areas Affecting Results

1. Leaders: recruitment, election, retention, diversity and inclusion, succession planning, performance assessment, leadership development
2. Governance Processes: decision-making, meetings, visioning, strategic planning, risk oversight, budgeting, distribution of information, delegation, monitoring
3. Governance Structures: leadership roles/accountabilities, committees, officers, membership
